*Only rarely . . . possibly once or twice in any ten year period . . . does there come on the scene a sire whose blood is so potent a new dynasty can be established.*

*History proves those breeders who have made the best use of such powerful blood produce top cattle for many years to come.*

*Creekland Lancer x is such a sire.*

Creekland Lancer x . . . one of the most potent sires  
of all time**

## ALL - AMERICAN SALE

For years we have watched with interest the development of the All-American awards system in the Holstein breed. We were pleased to see it inaugurated by our breed this year . . . and naturally happy that members of our show string by Creekland Lancer x were selected by the panel for so many honors. This pointed up even further the fact that Creekland Lancer x is the "King of Sires." No bull, Shorthorn or Polled Shorthorn, has sired as many champions during the last three years . . . no sire, Shorthorn or Polled Shorthorn, comes close to matching Creekland Lancer's record of siring eight All-American candidates . . . including five selected as All-Americans and one Reserve All-American.

It was at this time we decided it would be fitting to hold an All-American sale. Of our eight All-American nominees four were sold in previous Oakwood sales . . . 1960 and 1961 . . . and we exhibited them this last show season. Three of the others, including the 1961 International grand champion bull, are being sold in this sale and one is being kept in the herd.

This would seem proof positive of Oakwood's willingness to share its very best with the public. We are selling All-Americans . . . we are selling many females bred to All-Americans . . . we are selling brothers and sisters to All-Americans . . . and as we proved in 1961, we sincerely believe we are offering bulls and females that can be All-Americans for their new owners in 1962.

We do not pretend to have all the answers in this livestock breeding business. However, we have discovered the hard way that no animal can produce better than its inheritance. We have found some cow families produce stock bulls that breed on . . . others never do.

This offering represents families and bloodlines that have been tried and proven. It was designed to be a tribute to Creekland Lancer, the greatest of all the bulls that were ever in service at Oakwood. It is the best offering we have ever presented. We would be honored to have you with us June 11.

## General Sale Information

**LOCATION . . .** Oakwood Stock Farm, Ashville, Ohio, 16 miles from Columbus. The new bridge is in use between the farm and U.S. 23. Turn left to Duvall off U.S. 23 at crossroads where Ohio 762 turns right, go to end of road, turn right, cross new bridge, turn left immediately to Madison School, turn right one-half mile to the farm.

**TIME . . .** Monday, June 11, 1962. Sale starts at 12:30 p.m. E.S.T. Lunch will be served.

**HEADQUARTERS . . .** We believe this sale will be more enjoyable to attend if everyone is able to stay in the same place. The Lincoln Lodge near Columbus is one of the finest in the country, with every possible service. To insure that your reservation is properly handled, we would like to make it for you. A map showing directions from the Lincoln Lodge to the farm is shown on page 12.

**TRANSPORTATION TO FARM . . .** We will be glad to see to it that you have the necessary transportation during your stay. This includes pick-ups at the airport, railway station, returns to there, and back and forth to where you are staying. A notice will be posted near the desk at the Lincoln Lodge telling you when cars will be going to the farm on sale day morning and the clerk there will have information as to transportation at other times during your stay.

**FARM PHONE . . .** Ashville, YUkon 3-5212. A phone will be on the auction block sale day.

**SPEND SUNDAY AT OAKWOOD . . .** Please do not forget we are hoping as many of you as possible can come on Sunday for a leisurely view of the cattle and a chance to get acquainted with the others interested in this sale.

**GUARANTEE . . .** All cattle sell under the terms of the Standard Guarantee endorsed by the American Shorthorn Association. All announcements from the auction block and information on printed sheets of breeding dates to be distributed sale day take precedence over printed matter in this catalog. Terms of sale are cash, all settlements to be made at conclusion of auction.

**HEALTH . . .** The Oakwood herd is Federally Accredited for T.B. and Bangs Certified. Calfhood vaccination for Bangs, has been practiced for years. Therefore we have made no further reference to this in the footnotes.

**LIABILITY . . .** Each sale constitutes a contract between C. B. Teegardin & Sons and the buyer of each lot. The clerks, auctioneers, sale manager, were all retained for specific clerical and promotional duties and have no connection with the premises, handling of cattle, and can assume no liability whatsoever for accidents or for fulfillment of guarantees. Accidents at cattle auctions are rare, but all attending must assume risk of accident to themselves. Oakwood will make every effort to protect the safety and comfort of the guests, but can assume no liability for any accidents.

**SALE MANAGER . . .** Don Longley, 16 South Locust Street, Aurora, Illinois.

**INQUIRIES ABOUT CATTLE LISTED . . .** The sale manager or anyone connected with Oakwood will gladly answer, to the best of their ability, any question that may arise in the minds of prospective buyers as to the quality and breeding of any animals listed in the catalog.

*Sold in the 1961 Oakwood Sale to  
Geo. H. C. Arrowsmith, Upperco, Md.*

This great group of females was a part of the 1957 Oakwood sale. At that time breeders were in accord that this was one of the strongest groups of females ever offered in the history of the Polled Shorthorn breed. We believe the 1962 offering is even stronger.

## *Oakwood Sells Them . . .*

When most herds are fortunate enough to have produced an animal good enough to be a champion or an All-American, they keep it in the herd because it may be a long time before another comes along.

So consistently do the powerful female families and stock bulls at Oakwood produce champions that these great Oakwood champions can be offered for sale. To my way of thinking this is what sets the Annual Oakwood Polled Shorthorn Sale apart from all others . . . and, the fact that they can do this every year and still come up with the breed's most powerful show string is even further evidence.

For example . . .

The 1961 International Grand Champion Bull, Oakwood Lancer x, . . . an interest in him is being sold in this sale.

The 1961 International Reserve Grand Champion Bull, Circleview Lancer x, was sold in the 1960 Oakwood sale to Ted Franklin, Jasper, Alabama. This bull was also the 1960 International Grand Champion.

The 1961 International Grand Champion Female, Oakwood Rosewood 30th x, was sold in the 1961 Oakwood sale to Ted Franklin, Jasper, Alabama.

The 1961 All-American Senior Bull Calf, Oakwood Cadet x, is being sold in this sale.

The 1961 All-American Junior Yearling heifer, Oakwood Hope 15th x, was purchased in the 1961 Oakwood sale by George H. C. Arrowsmith, Upperco, Maryland. Oakwood Lady Lavender x, All American nominee, was also purchased by the Arrowsmiths in the 1961 Oakwood sale.

It is significant to note that all of the champions and All-Americans mentioned above as being purchased by breeders, were all bought BEFORE they won these honors . . . attesting to the way Oakwood cattle do after they are purchased.

There can be no question but that had any one breeder bought the best females and stock bulls offered in the Oakwood sales in the past five years, he would today have one of the greatest herds of all time.

Like anything else, this is a competitive business. To move forward, however, every breeder needs to learn where the quality is and to give credit where it is due. Oakwood is raising the kind that can compete and win against the best . . . horned or polled.

## Best 10 Head . . . 1961 International

This statement was written by Paul Teegardin for use in his 1960 Oakwood catalog. It was repeated again in 1961. We repeat it a third time . . . because we believe it is the key to success.

*We believe every great sire in history had to inherit that right to become great. Two bulls may be alike to the eye — but the combination of genes carried in the bloodstream will enable one to become a top sire, the other to be relegated to the list of unknowns.*

*Acc  
Gen*

# Creekland Lancer x!

*There is no magic formula. In this business everyone has the same opportunity to be successful. Top females as well as top bulls are mandatory — both from a known inheritance. That's where many fail in their efforts to breed improving cattle. See the animal with the eye — ascertain its potential worth by its pedigree.*

*The path to success must be twofold. Correct type and correct breeding must go hand in hand. Alone, neither can go far. Together, there is no ceiling to their success.*

**CREEKLAND LANCER x . . .** No footnote is really necessary. The record is included elsewhere in the catalog. He was the 1955 International Grand Champion. Having calves at Oakwood by six different sons, we are certain his sons and daughters can do as much for the advancement of the breed as he has done for Oakwood. Already he has sired five International Champions.

## *These sons of Lancer have been retained*

### **OAKWOOD CONTRACT x**

This bull has been a standout since he was a calf. Seven times a winner in 1960 as a calf, in 1961 he was the International Reserve Senior Champion, standing above all except two half brothers. He was the 1961 All-American Senior Yearling Bull. He is out of Oakwood Clipper x by Oakwood Determination x. His granddam produced a long line of bulls that proved outstanding sires during her 17 years at Oakwood.

Every effort is being made to insure the continuance of potent Creekland Lancer blood at Oakwood. In addition to the three bulls shown here, we are also retaining an interest in the 1961 International Grand Champion, Oakwood Lancer x.

### **OAKWOOD TRADEMARK x**

A very promising young son of Creekland Lancer x that we want to keep to show in 1962 and for herd use at Oakwood. He is out of a great imported Naemoor Waterloo cow. He is a full brother to the many times champion, Oakwood Watchman x, herd sire for H. L. & P. N. Smith, Winter Haven, Florida. He is also a full brother to Oakwood Waterloo T x, Grand Champion Female, Michigan State Fair.

### **OAKWOOD GOOD NEWS x**

This powerful son of Creekland Lancer stood second in class to his brother, Circlevue Lancer x, in the junior bull calf class, 1959 International. A 100% dehorner.

He has the head and eye of a stock bull.

OAKWOOD GAMBLER caught our eye at Hi Ho Farm in November 1960. I had heard that he was a great prospect and when I saw him I decided he was worthy of the statement. A look at the third bracket of his pedigree justified his promise. His dam was a good cow that descended from the Nonpareil daughter of Browndale Golden Victor which we sold to the late Harry Straus for his Cherry Hill foundation. The third dam of Oakwood Gambler x was an International Reserve Grand Champion.

Calrossie Welcome, Chapelton Baronet by the Pertā Champion Calrossie Supreme, Commander in Chief x, Kelburn Yesteryear by Mount Banker (sire of the International Grand Champion Kelburn Banker Royal) gave me a feeling of confidence that his stock bull stamp was justified.

When our summer yearling show bull went lame we went to the back barn and got Oakwood Gambler — unfitted — just a rugged, red-meated bull. We showed him at seven state fairs. Every cowman who judged him liked him. Four times he was Reserve Junior Champion.

We do not consider him one of the best show bull prospects we've ever owned, but he is so right where so many bulls are so wrong that we feel he has a particular place in our breeding program. His head is that of a stock bull — his eye that of a sire. A soggy hide that covers great natural fleshing, and bone to carry his 1,350 lbs. Four daughters of Creekland Lancer, sell carrying his service.

# SAME BULL - - NO!

Left, the 1961 International Grand Champion Oakwood Lancer x. This picture was taken at 14 months of age, April 10. At that time he weighed 1155 pounds . . . and with the pounds in the right places. He had an average daily gain from birth of 2.52 pounds.

Cattlemen will recognize the similarity in the pictures of the 1961 International Grand Champion, Oakwood Lancer x, and his famous sire, Creekland Lancer x, the 1955 International Grand Champion. Actually, Oakwood Lancer was about six months younger than was his sire when these pictures were taken.

Although he is destined to be a bigger bull than his sire, we feel Oakwood Lancer has that same near-perfect pattern . . . and that same great breed character so essential in a stock bull.

Right, this is how the 1955 International Grand Champion Creekland Lancer x looked at Oakwood in 1955. He has sired FIVE International champions.

Oakwood's Eleventh International Grand Champion Bull . . . and the best one of them all. An interest in this great bull is being sold. Not since the Cherry Hill Dispersion twelve years ago have Polled Shorthorn breeders had an opportunity to bid on the International Grand Champion Bull.

## OAKWOOD LANCER

(LOT 1)

Our 1961 International grand champion bull, has made rapid strides since he came home from Chicago. He weighed 1,155 lbs. April 10, which gives him a daily rate of gain from birth of 2.5 lbs. Those who have seen him recently agree with us that he is even more impressive today than when he was shown at the International. He has done all the things we had hoped for. We have shown 11 International grand champion bulls. Oakwood Lancer is the eleventh. **We rate him as superior to all the others.**

We have used him heavily and have had a high rate of conception to his service.

His dam is a granddaughter of Edellyn Royal Leader 2nd. She is a half sister to the 1952 International grand champion S-G Admiration. She was a member of the winning junior get-of-sire at the 1952 International.

His granddam, Lady Golden 5th, was the dam of both Commander-in-Chief and Oakwood Leader; their ability as sires is a matter of record in the shows of 1950-1955. Suffice to say, they were a pair of the most successful sires we have used at Oakwood. Such inheritance could be used as a yardstick to predict that Oakwood Lancer's individual excellence should be passed on to his calves.

The desire to make this sale a truly "All American" event motivates us to sell an interest in, and part possession of this bull. While he is away from Oakwood we shall use him artificially, and likewise, when he returns to Oakwood, his co-owner will have his service through frozen semen.

We will be sharing our **best bull** with some herd in the hope that he may thus double his influence to sire BETTER Polled Shorthorns to the advancement of two herds.

Right: OAKWOOD LANCER x, Lot 1, an interest sells. Grand champion bull, 1961 International Livestock Show.

Left: OAKWOOD LANCER x looks good any way you look at him. Weighed 1,155 lbs. April 10 — 2.5 lbs. a day gain from birth.

**OAKWOOD GOAL POST x . . .** looks like a stock bull and inherits that right. He is a full brother to Oakwood Guardian, the 1960 **fifteen times** champion. His dam and the four sisters to his granddam have been most consistent producers of top calves. Such a background is a guarantee that he will do! Smooth headed, deep sided, level, wide topped . . . he is one with a lot of potential power to sire the "top kind."

**OAKWOOD EDITOR x** . . . a son of the twice International reserve grand champion, Circleview Lancer, out of Oakwood Estelle 36th, whose Lancer son is doing such a good job for Leemon Stock Farm, Hoopeston, Ill. This bull was shown only at the International where he stood sixth among the fifteen junior bull calves. Great headed . . . should be a 100% dehorner. He is thick butted and a beef bull that could do a lot of winning in 1962. His granddam was the best Estelle we had produced when she sold to Dr. Parke G. Smith at \$2,000 in 1941 . . . and her sire was the 1936 International grand champion bull, Bred to be a sire and looks it!

**OAKWOOD SILVER LANCER** x was top-selling bull of the 1961 Oakwood Sale at \$1,750, going to Harvey L. Fishpaw, Berryville, Va.

**OAKWOOD DIAMOND** x was second top bull of the 1961 Oakwood Sale at \$1,200, going to Ralph C. Stirm, Brandon, Iowa. His first calves at Stirms are graet!

## LOOK WHAT LIES *BEHIND* YOUR BULL TO SEE WHAT LIES *AHEAD*

Experience has demonstrated forcibly that no animal can produce better cattle than its inheritance will permit. Every Oakwood animal has a heritage star-studded with International champions, sires and dams of champions, sound, dependable cattle that have proved the Oakwood influence in the herds of our customers.

Naturally, the first two generations are important in any pedigree . . . but never underestimate the importance of the generations further back . . . for if there is a plain animal in the pedigree, cattle will tend to breed back to it.

It is the DEPTH of Oakwood pedigrees that gives them their added strength . . . over 40 years of constant Polled Shorthorn improvement. They are the kind for the "buyer who can't afford to guess."

**WHITE OAK JULIANA x . . .** has so much we believe all wrapped up in her hide and so much that we know is right in her blood stream that we question the wisdom of including her in the offering. She is deep and thick and rugged. She looks like the kind that produces stock bulls. She doesn't miss being a show heifer, either. Every animal on the top side has an Oakwood origin that has been right . . . two crosses of Gosshall Ximenes, and one each of the International grand champions, Coronet Command and Oakwood Merry King.

Imported Juliana has been one of the best breeding cows to come out of Scotland and it was a granddaughter of this cow, sired by Oakwood Determination, that produced the 1960 International grand champion female for the Smalstigs.

History is made with her kind and she is selling mated to **Oakwood Lancer**.

**TIMBERLEE'S JULIANA 2d x** was junior and grand champion female, 1960 International Livestock Show for Timberlee Valley Farm, owned by Fred W. and Fred E. Smalstig, Pittsburg, Pa. She is out of granddaughter of the great imported cow, Juliana, granddam of Lot 11, White Oak Juliana x.

**OAKWOOD JULIANNA x**, dam of the 1960 International grand champion female shown above, was purchased by Fred Smalstig in the 1955 Oakwood Sale at \$1,000.

**OAKWOOD BONNIE BUTTERFLY 2d x . . .** If we consider the record of performance of her dam and her granddam and the way their calves have "bred on", we could well conclude that Oakwood Bonnie Butterfly 2d might well equal the best record of any female we have sold.

She is a daughter of Creekland Lancer. Her dam is a full sister to the \$7,000 Oakwood Conquest. She produced Oakwood Braemar as her first calf. He is a top sire for Wm. M. Camp, Jr., Franklin, Virginia. Her second son is doing an equally good job for Franz von Schilling Jr., Spring Grove, Virginia. Another son by Lancer died at three months but few of his equal have been dropped here.

The granddam, by the International grand champion Coronet Command, produced the four best bulls, one after the other of any cow we have owned. Oakwood Bardolier, exported to King Bros., So. Africa at \$3,000; Oakwood Bequest, 1950 champion; Oakwood Request, \$3,500 sire for F. W. Smalstig & Son, and the \$7,000 Oakwood Conquest.

This heifer is of the same type and kind as her dam and granddam and she is selling **mated to Oakwood Lancer.**

Two great females selling in this sale. L to R: WHITE OAK JULIANA x, Lot 11, by White Oak Determination x and granddaughter of the great imported cow, Juliana, by Calrossie Sweepstake, and HOLLY RUN CLIPPER x, Lot 13, by Oakwood Braemar x and out of a daughter of imported Ballathie Majestic.

OAKWOOD BRAEMAR x is sire of Lot 13 and out of the same dam as Lot 12. He was purchased in our 1957 sale at \$1,500 by W. M. Camp, Jr., Holly Run Farm, Franklin, Va.

**HOLLY RUN CLIPPER x . . .** is sired by a maternal brother to Oakwood Bonnie Butterfly 2d and she certainly reflects the brood cow look she inherited from her sire and his dam. Good headed, heavy boned, deep and thick. She will be liked by those who are critical in their appraisal.

Her dam is a daughter of Ballathie Majestic and her granddam by the great sire, Greenwood Souvenir. She is mated to **Oakwood Lancer** and that should give her universal appeal.

This picture was taken about seventeen years ago and shows the kind of cows in the Oakwood herd at that time. These are all daughters of three International grand champions, Oakwood Royal King x, and his two sons, Oakwood Merry King x and Oakwood Emperor x.

## A word about **FAMILIES** . . .

No matter what herd you visit, as you go through the cow herds, some female will surely be pointed out to you as the dam, granddam, and great-granddam of a big share of the show winners, top sellers, and best breeding animals produced. Her daughters and granddaughters will have been kept. She may not be . . . and usually isn't . . . the best looking cow in the herd, but no other family in the herd can begin to approach the record of this tribe.

Such breeding animals are never an accident. They have inherited the right to be great producers. No man has traveled through the herds of our breed more thoroughly than has Paul Teegadin. None has a better memory than he for that one great brood cow he has seen in this herd and that. Every purchase made by Oakwood traces to such a background.

These are the reasons why Oakwood stands at the top . . . not just one year . . . but every year. Mated to their great stock bulls one can almost predict what the calves from these cows will be.

The picture above shows the kind of brood cows that were at Oakwood about twenty years ago. They were deep, thick, breedy, modern in their make-up. Moreover these were all daughters of three different International grand champions.

Oakwood Polled Shorthorns **breed better** . . . because they are **bred better**. The evidence can be seen in herds from Coast to Coast.

**OAKWOOD GLOSTER Q x** sells as Lot 14. She was first prize junior heifer calf at Illinois, West Virginia, Ohio, Michigan, Tennessee and Alabama state fairs, at the Atlantic Rural Exposition and the Ohio Futurity Show in horned competition, and was an All-American nominee. She was member of Oakwood's Best Ten Head and first prize Junior Get of Sire, and first prize Pair of Calves at the 1961 International Livestock Show.

Right: Topping the Pair of Calves class at the 1961 International were these two Oakwood entries . . . **OAKWOOD GLOSTER Q x**, Lot 14, left and **OAKWOOD LANCER x**, Lot 1, right.

**OAKWOOD GLOSTER Q x** . . . An All-American nominee that topped her class at every state fair but one, where she was defeated by the Ashbourne heifer that was reserve junior champion at the International and grand champion at the Denver show.

She is a full sister to Oakwood Decision that is siring champions and sale toppers for Gallatin Farms, Triplett, Missouri. Another sister sold to Smycolanda Farms, Ninety-Six, South Carolina, in our 1960 sale at \$3,500 and another is at Oakwood with her first calf.

We probably never sold a more valuable female or a better prospect for the 1962 shows. **Selling with a breeding privilege.**

**OAKWOOD DECISION x**, sold in the 1958 Oakwood Sale to Gallatin Farms, Triplett, Mo., at \$2,500, top of the '58 Sale. He has been siring champions, tops, winners and an All-American nominee for the Gallatins.

**OAKWOOD GLOSTER 13th x** sold in the 1960 Oakwood Sale at \$3,500 to Smycolanda Farms, Ninety-Six, So. Car. She is a full sister to Oakwood Gloster Q x, Lot 14.

No bull in history can match the performance of Creekland Lancer in the Get - Of - Sire classes. Here is the record at the International Livestock Show for the past four years. In 1960, for example, the get of Creekland Lancer placed first at all nine shows where exhibited . . . seven of which were in the strongest horned competition. Her maternal granddam is out of Glen Knolls Nonpareil whose last daughter is the granddam of the International grand champion Rodney's Leader 29th. Glen Knolls Nonpareil's second daughter was a reserve grand champion female at the International.

The last Nonpareil female of this branch to leave Oakwood was exported to Australia where she dropped a Royal Easter show championship winner by Oakwood Determination.

C H Nonpareil A came to Oakwood carrying Oakwood Conqueror, a many times champion whose son S-G Admiration was the 1952 International grand champion bull. Oakwood Conqueror sired the dam of Oakwood Lancer, our 1961 International grand champion bull.

Her scale, depth, natural thickness and sturdy bone are characteristic of these females. She can be a show heifer. **Mated to Oakwood Lancer.**

Roan, C. B. Carpenter

**OAKWOOD MISSIE M L x . . .** is a full sister to Oakwood Majestic, the bull that has won many championships in horned competition for Mrs. W. C. Pitfield, Saraguay Farms, Pierrefonds, Quebec. She is also a sister to Oakwood Majestic Lancer, purchased by Odom Reese, Warrenton, Ga., and to Oakwood Missie 34th, first prize two year old at the 1958 International. She is correct in her skeletal make-up and thick, deep and rugged in her bone. She is the kind to produce stock bulls and her family have been doing it regularly.

**OAKWOOD MISSIE 42d x . . .** combines individual excellence, brood cow promise and the heritage of a great cow family. Her dam is the last daughter of the old Missie 14th cow, dam of the 1950 International reserve grand champion, Oakwood Mainstay, sold for export to Australia at \$6,500 where he proved to be the breed's highest ranking sire. Another son went to the Argentine where he has sired champions at the Palermo show. We have three of her daughters and four granddaughters at Oakwood. Those familiar with the All-American Oakwood Hope 15th purchased in our 1961 sale by George and Molly Arrowsmith will find in her a close resemblance to this heifer.

**OAKWOOD FLORA 3rd x, 1952 grand champion female at the Illinois, West Virginia and Indiana State Fairs and the Southeastern Show, Atlanta. She was 1953 grand champion at Illinois and Ohio and reserve grand champion at the 1953 Interntional. Lot 26 is out of a daughter.**

**OAKWOOD LANCASTER 12th x . . .** is a sweet package of promise by the Masterman bull. She has grown up the hard way but she is one to tie to. Great head, rich dark roan, deep, level and true in her skeletal structure. We are keeping her older sister. This family have been universally popular, because they are truly a "worth owning" family.

# The Oakwood Sale

A sale for everyone that no one can afford to miss.

It is true . . . for 23 years the Oakwood sale has always been the top averaging Polled Shorthorn sale of the year . . . or one of the tops. Because high selling animals always receive the most publicity, it is natural many would gain the impression that it takes a lot of money to buy an Oakwood animal.

The table below shows a price breakdown of the last four Oakwood sales. By far the largest percentage of the animals sold below \$1,000 . . . The big share in the popular price range from \$500 to \$750. Many of the best breeding animals have been sold at such figures and below.

Consider, too, that nearly all of the females carried the service of such great sires as Creekland Lancer. In many instances the calf in dam more than paid for its dam.

## BULLS

\$2,000 and over	6
\$1,000 to \$2,000	9
\$500 to \$1,000	16

What Does It Cost To Buy An  
Oakwood Bull or Female?

WEST HATTON FLOWER GIRL 29th x and WEST HATTON FLOWER GIRL 30th x were third prize pair of females at the 1952 International. The "30th" was second in a strong class at that show. She and her calf were sold to Archwood Farms, The Plains, Va., for \$3,400. She is a full sister to the dam of Lot 36.

Her dam is a heavy milking granddaughter of the great Mathers champion and sire of champions, Leveldale Basis. All of this on top of a Calrossie Goldie foundation. **We are selling her with a breeding privilege.**

**OAKWOOD REGULATOR** x was the undefeated junior yearling at the 1955 Ohio, Illinois state fairs and the International, and reserve grand champion at the 1956 Ohio State Show in horned competition. He is sire of Lots 9, 41, and 42 in this sale. He has consistently demonstrated his worth as a sire at Oakwood, although he is now dead. Harvey "Red" Ferguson is at the halter, one of the greatest cattlemen in the business.

**OAKWOOD HELEN 11th x . . .** is a daughter of the many times champion, Oakwood Guardian. Her dam is an old cow that is here because she has produced a long line of good ones. She is a direct descendant of the grand old imported cow, Wellhouse Helena, topped with bulls that have been factors in breed improvement. She is not a show heifer but she will be one to own for profit . . . every 12 months.

## **There's a reason why 14 foreign countries have bought at Oakwood**

An equal amount of care and feed is required in the development of any animal, whether it be well bred or not. Inheritance is the factor that insures future performance, and it is the difference in inheritance that makes one animal worth much more than another. Fundamentally, this difference will make one herd successful in the continuous production of top cattle while others are not.

Down through the years, the sires and females that have gone into the Oakwood herd have been hand-picked, always with a definite purpose in mind. A keen student of pedigrees, Paul Teegardin knows what the dams, granddams and great granddams of each have done. He knows the record of performance of all the bulls in their pedigrees . . . and does not buy unless these factors are right. As a result, the Polled Shorthorns produced at Oakwood **inherit** the ability to perform properly for those who buy them.

Oakwood's productions have been widely scattered throughout the world. Sales have been made into fourteen foreign countries. The export buyer is a seasoned cattleman who cannot afford to ship cattle of average quality such distances and who cannot take chances on breeding of unknown merit.

The more Polled Shorthorns of this quality that can be spread across the country . . . the easier will be the job of those of us who are in the business of helping folks get better prices.

**CIRCLEVIEW LANCER x**, sire of Lot 48, as he looked when he won his second International reserve grand championship at the 1961 International. **OAKWOOD AUGUSTA DUCHESS 2d x . . .** is a well-grown, deep-sided daughter of the twice International reserve grand champion, Circlevue Lancer. She had small horns which have been removed. Her dam is a big, heavy milking daughter of the Congress reserve champion, Oakwood Consideration. **She sells mated to the 1961 International grand champion, Oakwood Lancer.**

“Unknown?” .. or .. “Not Understood!” ..

## There's a difference!

Why don't all International grand champion bulls sire show ring winners? Why are some bulls that were not of show ring calibre, sires of many winners? Why do females, sired by the same bulls sold in the same sale, prove outstanding brood cows in one herd, while in another they become unknown? Why do full brothers vary as prepotent sires?

No one has all the answers — but — it's largely a matter of inheritance — the composite of the genes carried by each animal. It's these **UNKNOWN** factors and their combination of **unknown** worth that are understood by men who have dedicated their life to the science of animal breeding with a desire to fix type and potence to breed on.

The Oakwood offering is an offering of **KNOWN** inheritance, “**The kind to buy if you cannot afford to guess.**” There is something a great deal **MORE** in the Oakwood Sale than the cost of the cattle.

A little research back to the first sale in 1940 will show that Oakwood breeding has worked improvement in 14 foreign countries . . . has produced winners in Australia, Argentina, Canada . . . has produced sale toppers in Australia, both bulls and females . . . as well as improvers and sale toppers and winners all over the United States.

**RODNEY'S LEADER** 29th x, grand champion Polled Shorthorn bull at the 1959 International, is from the same family as Lot 15 Oakwood Nonpareil C. L. She is the same foundation kind and illustrates what we mean by “worth owning” cow families . . . they do for others what they do for us.

**OAKWOOD LADY LAVENDER** 2nd x. top-selling female of 1960, now owned by Mrs. W. C. Pitfield, Pierrefonds, Que., Can., who also owns Oakwood Majestic x and five daughters of Creekland Lancer x. A full sister sold in the 1961 Oakwood sale to George H. C. and Molly Arrowsmith, Upperco, Md., at \$1,657. They also own Rodney's Leader 29th x, left.

# *the Lancers breeders*

**G F Duchess of Gloster 2 B x**, All-American nominee. Reserve Junior Champion, 1961 Missouri State Fair. Sired by Oakwood Decision x, great breeding son of Creekland Lancer, purchased by Gallatin Farms, Triplett, Mo., in an Oakwood sale.

**Red Princess 4th x**, grand champion and top-selling female, 1961 Minnesota Polled Sale. Sire, Oakwood Lancelot x, son of Creekland Lancer x, purchased in an Oakwood sale by Maynard Potter & Sons, Lamberton, Minn. Oakwood Lancelot has sired three Minnesota Polled Show and Sale champions for the Potters.

**Circleview Wonder x** sold in the 1960 Oakwood sale, used at Four Dees Farms, Allerton, Illinois, and resold by them at the 1962 Omaha sale where he was the grand champion and brought \$2,000 going to Wertz Bros., Bancroft, South Dakota.

**Judge Bob Long**, University of Georgia, and manager **Arthur Childree** are seen with the **Rivoli Farms**, Macon, Georgia, best pair at the 1962 Southeastern Regional. In the foreground is the grand champion female sired by **Upson Lancer 3rd x** by Creekland Lancer x and purchased by **Foxdale Farms**, Duluth, Georgia.

**Lynnwood Lancer x**. This impressive son of Creekland Lancer x is doing a great job both at **Lynnwood Farm**, Carmel, Ind., and at **Richard Prentice's Arrowhead Farms**, Batesville, Indiana, who share his service.

**Oakwood Majestic x**, many times a champion for **Mrs. W. C. Pitfield**, Saraguay Farms, Pierrefonds, Quebec. This son of Creekland Lancer x is a full brother to **Oakwood Missie M L x**, selling in this sale.

**Rosewood of Acadia 2d x**, 1961 All-American Summer Yearling Heifer, owned by **Acadia Farms**, Northfield, Ohio. Her dam was the top-selling female of the 1958 Oakwood sale.

# --- doing well for from Coast to Coast

Oakwood Hope 15th x, All-American Polled Short-horn Junior Yearling Heifer. She was purchased in the 1961 Oakwood sale by George and Molly Arrowsmith, Upperco, Maryland. Sire: Creekland Lancer x.

Circlevue Lancer x, 1960 and 1961 International Reserve Grand Champion Bull. This bull, owned by Ted Franklin, Jasper, Alabama, sold in the 1960 Oakwood sale.

Oakwood Rosewood 30th x, 1961 International Grand Champion Female, 1961 All-American Two-Year-Old. Purchased in the 1961 Oakwood sale by Ted Franklin, Jasper, Alabama. Sire: Creekland Lancer x.

Acadia Napoleon 57th x stood second in class to the International Grand Champion, 1961. His dam was produced in an Oakwood sale and has produced four top calves.

Oakwood Lady Golden 7th x, full sister to Oakwood Lancer x, 1961 International Grand Champion. Purchased in the 1960 Oakwood sale by Smycolanda Plantation, Ninety-Six, South Carolina, and rated the top brood cow in their herd.

Orange Blossom of Acadia x, Grand Champion, 1958 Ohio State Fair, for Acadia Farms, Northfield, Ohio. Sired by Creekland Lancer x and out of a dam purchased in the 1956 Oakwood sale. Her first daughter sold for \$1,950 to Mrs. W. C. Pitfield, Saraguay, Quebec. Her current bull calf is probably the best prospect at Acadia today.

## The END

All bulls have been fertility tested by the  
Ohio State University Veterinary Clinic.

All pictures of the sale cattle are unre-  
touched . . . all International pictures are  
unretouched.

The Oakwood herd is Performance Tested  
in cooperation with the Beef Cattle Exten-  
sion Service of the Ohio State University.  
Each of the bulls selling is in the top bracket  
rating and carries a classification type score  
of 14 or above.

Calfhood vaccination has been practiced at  
Oakwood for years. All the females in this  
sale are officially calfhood vaccinated. The  
herd is Federally Accredited tuberculosis free  
and Certified Bang's free.

*No Oakwood catalog would be complete without a salute to  
Harvey "Red" Ferguson . . . a fine friend and one of the great-  
est cattlemen in the business. He has been at Oakwood for 21 years.  
His counsel is highly valued in all of our decisions. Buyers who  
know ask his advice. He will be most happy to give you his critical  
opinion of any of the cattle.*
